Cinéma Vérité chose to illustrate the UN Millennium Declaration, adopted by the General Assembly on 8 September 2000, establishing the eight Millennium Development Goals by 2015.

*The Millennium Development Goals (MDGs) are the world's time-bound and quantified targets for addressing extreme poverty in its many dimensions-income poverty, hunger, disease, lack of adequate shelter, and exclusion-while promoting gender equality, education, and environmental sustainability. They are also basic human rights-the rights of each person on the planet to health, education, shelter, and security.*

• **GOAL 1**

Between 1990 and 2015, cut in half the proportion of those who suffer from hunger and of those whose income is less than one dollar a day.

Achieve full and productive employment and decent work for all, including women and young people.

• **GOAL 2**

Ensure that, by 2015, children everywhere, boys and girls alike, will be able to complete a full course of primary schooling.

• **GOAL 3**

Eliminate gender disparity in primary and secondary education, preferably by 2005, and at all levels by 2015

• **GOAL 4**

Reduce by two-thirds, between 1990 and 2015, the mortality rate of children under five years of age.

• **GOAL 5**

Reduce by three quarters, between 1990 and 2015, the maternal mortality ratio.

Achieve, by 2015, universal access to reproductive health

• **GOAL 6**

Begin to reverse the spread of HIV/AIDS and stop it completely by 2015.

Achieve, by 2010, universal access to treatment for HIV/AIDS for all those who need it.

Begin to reverse the incidence of malaria and other major diseases and stop them completely by 2015.

• **GOAL 7**

Integrate the principles of sustainable development into country policies and programmes; reverse loss of environmental resources. By 2015, reduce by one half the proportion of those people without sustainable access to safe drinking water and basic sanitation

• **GOAL 8**

Develop further an open trading and financial system that is rule-based, predictable and non-discriminatory. This includes a commitment to good governance, development and poverty reduction - nationally and internationally.

Deal comprehensively with the debt problems of developing countries through national and international measures, in order to make the debt sustainable in the long term

**Goal 1.**  
Eradicate extreme poverty and hunger

**EFA**  
Today, children still die of hunger in Ethiopia. The pains of hunger are an impediment for many to go to school and does not allow them to concentrate. Many children in Ethiopia find their stomachs so empty that their minds have lost the thirst, quest and hunger for knowledge.

**Goal 2.**  
Achieve universal primary education

**HATI FOUNDATION**  
Participation au programme de sa majesté le Maharaja de Jodhpur qui a donné un de ses palais pour créer une école de jeunes filles défavorisées.

**Goal 3.**  
Promote gender equality and empower women

**Goal 4.**  
Reduce child mortality

**COEUR POUR TOUS**  
Sauver la vie d'un enfant malade du coeur dans les pays en voie de développement.

**Goal 5.**  
Improve maternal health

**Goal 6.**  
Combat HIV/AIDS, malaria, and other diseases

**Goal 7.**  
Ensure environmental sustainability

**Goal 8.**  
Develop a global partnership for development

**SPM (SUSTAINABLE PROJECT MANAGEMENT)**  
Based in Geneva, Sustainable Project Management (SPM) has been working in Metro Manila for several years on programs focused on environmental issues and livelihood creation.

## OUR LEGACY TO THE FUTURE GENERATIONS?

In support of the "MILLENNIUM DECLARATION" of the United Nations

World capital of humanitarian organisations, Geneva welcomes in 2009 the **3rd edition of the International Tribunes Cinéma Vérité**.

From the start this city has represented a centre for trade and cultural diversity. Geneva is characterized by its innovation and creativity as well as its special sensibility to problems that humanity faces. Furthermore, the history of Geneva has always shown close connections between international business community and its preoccupations for humanitarian and social causes.

Example of humanitarian commitment, **Bekele Geleta**, General Secretary of the International Federation of the Red Cross and Red Crescent, is this year honouring us by being the patron of the International Tribunes Cinéma Vérité.

**Tuesday 6th and Thursday 8th of October:** From 6 to 8pm, VIP Cocktail at the Kempinski Hotel

**Wednesday 7th of October:** 4pm, press conference with personalities and celebrities; 6:30pm, screening of the movie and awards; 8:30pm, cocktail; 9pm, charity gala **under the patronage of Sharon Stone**.

## MAIN EVENTS

### MASTERCLASS organised by EVIAN/EQUINOXE

Cinéma Vérité and Evian/éQuinoxe collaborate in 2009 to present the laureats of the Evian's éQuinoxe Workshops in Geneva and to offer a master class to swiss script-writers and filmmakers as a meeting and exchange platform.

This master class targets a wide audience including young people who wish to be introduced to script-writing as well as professional writers, and anybody interested in authors and their careers.

A presentation will be made for one to two hours followed by a question and answer session.

This will create true interaction and a rich and open exchange. Themes will be addressed one after the other, including the creation in a movie's production process, the script writing "rules", the opportunities of co-writing and/or of production, and the personal experiences which are always emotionally rich and riddled with anecdotes.

Following the "Tribunes", the Funding team follows up on the actions presented by the former and selects new projects, getting the business partners involved. Throughout the year, the Cinéma-Vérité fund encourages humanitarian actions on the ground (ex.: setting up a school or an orphanage), initiates or participates in carrying out communication campaigns, press conferences, and helps the voiceless to speak out by participating in the production or the communication of cinematographic works or documentaries.

All accounts are signed by an expert, and are at the availability of the partners.
